# Important Parent / Volunteer Information

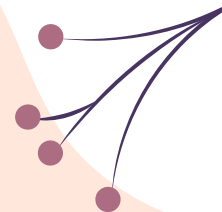

With school activities well under way, please see the following requirements for volunteers regarding **Criminal Record Checks, Vulnerable Sector Checks & Driver Authorization Forms**. These forms are required by the Chinook School Division in certain circumstances when volunteering for school activities:

1. If parents are driving students other than their own to a planned school activity, they need a **Driver Authorization form** filled out for the 2025-2026 school year (a new one has to be filled out each school year) as well as a **Criminal Record Check** (not Vulnerable Record Check).
2. If parents are driving just their own children, they obviously do not need anything filled out :)
3. If a parent is helping a coach or is in a classroom where they **will not** be in charge or left alone with students, they can just help **without** a Criminal Record Check or a Vulnerable Sector Check.
4. If a parent is in a chaperone or coaching support role, where they are supporting students in a supervisory role or could be left alone with students, **they will need a Criminal Record Check with a Vulnerable Sector Check as well.**

All forms are available for pick-up at the school office or can be sent home with your child. Once filled out and approved, please return the forms to school. The Criminal Record Check and Vulnerable Sector Check forms are to be filled out and taken to the City RCMP Detachment, where the staff usually approve them while you wait. There is no charge to the applicant. The Driver Authorization forms must be filled out and returned to the school (new Driver Authorization Forms are required for each school year). Thank you!

# Kids in the Kitchen is starting up again in October!

It takes place on Tuesdays after school from 3:30-5:00 and there are three 8-week sessions available for students to choose from. There are a limited number of spaces in each session.

**FALL Session is Oct 14-Dec 9**

## 6 THINGS TO SAY INSTEAD OF "GOOD JOB!"

"LOOKS LIKE YOU HAD FUN!  
WHAT PART DID YOU ENJOY  
THE MOST?"

"THIS WAS NEW! HOW DID  
YOU FEEL WHEN YOU WERE  
MAKING THIS?"

"YOU WERE SO FOCUSED ON YOUR  
WORK. CAN YOU TELL  
ME ABOUT IT?"

"I SEE YOU WORKING HARD.  
YOU'RE MAKING A LOT OF  
PROGRESS."

"THIS MUST HAVE TAKEN A  
LOT OF PRACTICE. ARE YOU  
PROUD?"

"YOU LOOK VERY EXCITED ABOUT  
COMPLETING THIS PROJECT!  
WHAT DID YOU LEARN?"

### SHIFTING FROM EXTERNAL PRAISE TO INNER AWARENESS

- 1 Hold general praise ("You were great!") and evaluation ("Amazing presentation!") to **make room for kids to process their own feelings and opinions.**
- 1 Ask open-ended questions and invite children to **notice how they feel about their efforts:** both the process and the outcome.

### THIS LEADS TO SELF-RELIANCE AND EMPOWERMENT

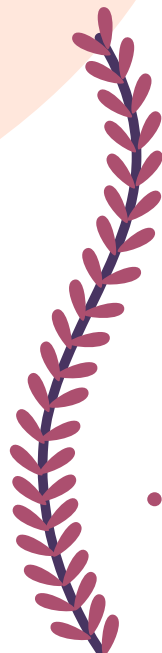

As you encourage their reflection, children learn to **appreciate their own strengths**, which contributes to their confidence and resilience.

In turn, they learn to **rely on themselves** instead of seeking external praise or evaluation, making them more empowered.

# WELCOME TO IRWIN!

For the 2025-2026 school year, Irwin is pleased to host the division's first  
Specialized Support Classroom (SSC).

Three coaches have joined our existing Student Support Team in order to offer  
a comprehensive approach to behaviour. Disruptive behaviour happens for so  
many reasons; the purpose of the Specialized Support Classroom is not only to  
reduce class disruption, but to explore and resolve the reasons why those  
moments occur.

In addition to individualized supports, a school-wide approach to behaviour  
tends to benefit all kids as expectations are clear, consistent, and thoughtful.

The 2025-2026 school year is in full swing and we are ready to show some school spirit. Everyone is welcome to participate in our

# Plan for Winter/Cold weather

## LABEL! LABEL!

Please send your child in warm, outside gear (toques, mitts, scarves, ski pants, boots). It is important that everything is LABELLED! We want our students to wear suitable winter jackets as well as hand and ear protection coming to and from school including those students who travel to school by bus.

## Morning Emergency - Bussing Back-Up Plan

It is important to develop and discuss with your children a back-up plan should the school bus be delayed in the event of inclement/stormy weather on its morning route.

- \* What would your child do if his/her bus did not meet its scheduled pick up time?
- \* Is there someone at home to assist?
- \* If parents leave for work and no one is home, does your child(ren) have access to their home to make a telephone call? If so, who would they call?
- \* Is there a neighbor home to assist?

It is better to be prepared than to experience a potentially dangerous situation.

Please take a few minutes to arrange your back-up plan and discuss it with your child.

## Severe Weather and Student Transportation

In the event of severe winter conditions, Swift Current city bus runs will be cancelled pending consideration of the following factors:

- If the morning temperature is -40 degrees Celsius or the wind chill is -45 degrees Celsius or below
- Adverse road conditions
- Limited visibility because of fog or blowing snow

When a decision is made to cancel buses it will be made by 6:30 a.m. Information will be relayed to the public through local media on all radio stations.

If buses do not run in the mornings, you will need to provide transportation for your child before and after school.
